SCHOOL

Youth Hostel in the city center

We will be guest at the Youth Guest House Berlin ("Jugendgaestehaus Berlin") right in the very center of the city. The modern building is located directly behind the new main train station "Hauptbahnhof", yet set in a green oasis, on a small and quiet side street, away from the hustle and noise of the city.

Classrooms and accommodation in the same building

The Guest House is pleasantly colorful and offers high-quality rooms. Our classes will be held in the very same building where the students are accommodated, in modern, bright, up-to-date classrooms.

All famous sights easy to reach

All the famous sights of Berlin are located within easy reach of the guest house, such as the Government district, the Reichstag, the Brandenburg gate (symbol of the reunification of the two Germanies) and the Spree River, but also the hidden treasures of the city, its boutiques, flea markets, museums, sidewalk cafes and typical Berlin boroughs.
